

Golden State Coffee

Event requirements

Whether you have a local festival, market day or school event you are planning, we have an event requirement system to make sure its a good day out for all of us 😊

Half weekend day - 3-4 hours open - minimum sales \$600 (approximately 90 coffees)

Full weekend day - 6+ hours open - minimum sales \$800 (approximately 120 coffees)

If the minimum sales are not met, we require the event organiser to top us up to this amount for being there (example we sell \$480 worth of products the event tops us up \$120 to allow us to reach the minimum of \$600). This ensures our costs are met for the time we are open. This includes petrol, generator petrol, wages etc.

We are required to be on site 20 minutes before opening and 20 minutes after closing times to open & close our coffee truck.

Our ethos is to bring the highest quality of takeaway coffee, we offer all alternative milks, decaf & a range of caffeine free drinks - tea, matcha & smoothies.

We can do a full range of food however get in touch with us regarding your event & we can go from there.

We love getting out and about, often selling the minimum coffees required, a great day for everyone!

Thanks for understanding 😊 - Claudia Hurford from Golden State Coffee
